

As a convenience to Royal Oaks residents, medical and dental professionals have chosen to have offices right here on our campus. Taking a short walk instead of a long car ride to get to your doctor or dentist provides more time to enjoy living at Royal Oaks. These health providers accept many forms of insurance and have office hours to serve the residents here on site.

Dr. Michael Castro maintains a private medical practice on the Royal Oaks campus and also has a primary office, **Arrowhead Internal Medicine**. Dr. Castro, MD, is Board Certified in Internal Medicine and was named America's Top Physician in 2008, 2011, and 2012. He is fluent in both English and Spanish. Joining Dr. Castro is P.A. Natasha Guha. The clinic is open five days a week on the Royal Oaks campus.

Midwestern University's stellar graduate students, overseen by a career dentist with decades of experience, are onsite daily at The Midwestern University **Dental Institute at Royal Oaks** to keep residents oral health in top shape.

These medical and dental health providers are located in the The Illingworth Center. Independent Living residents stroll through the courtyard from the Life Enrichment Center into The Illingworth and take the elevator to the 2nd floor lobby where the clinics are located.

Dr. Blair W. Copp, Chiropractor, sees residents on Tuesdays or Fridays by appointment and has an office in our Evergreen Fitness Center and Spa.

All providers are able to bill Medicare or other insurances for services as applicable.
