

As a convenience to Royal Oaks residents, several medical and dental professionals have chosen to have offices right here on our campus. Taking a short walk instead of a long car ride to get to your doctor or dentist provides more time to enjoy living at Royal Oaks. These health providers accept many forms of insurance and have office hours to serve the residents here on site.

**Dr. Deepa Dharmarajan (Dr. Deepa)** and **Dr. Radha Ramamrutham (Dr. Ram)** run the Medical Clinic at Royal Oaks. Dr. Ram has practiced medicine for 25 years and Dr. Deepa for 15 years. Both of these top-notch female physicians have privileges at Banner Boswell, Banner Del Webb and Banner Thunderbird Hospitals. Each completed the geriatric fellowship and is a board-certified geriatrician. Dr. Deepa is also board certified in Family Medicine and Dr. Ram is board certified in Internal Medicine.

The Dental Institute at Royal Oaks is run through Midwestern University with **Dr. Tom Sigrist, DDS**, at the helm here. His 35+ plus experience, along with those of Midwestern University's stellar graduate students, keep Royal Oaks residents' oral health top notch.

Every Friday, **Dr. Lance R. Wissman, DPM**, from Arizona Podiatry Medicine is on-site at Royal Oaks to keep feet happy.

These medical and dental health providers are located in the Assisted Living Building (ALF). Independent Living residents stroll through the courtyard from the Life Enrichment Center into ALF and take the elevator to the 2<sup>nd</sup> floor lobby where the clinics are located.

**Dr. Blair W. Copp, Chiropractor**, sees residents on Mondays, Wednesdays, or Fridays by appointment and has an office in our Evergreen Fitness Center and Spa.
